

Snow dough

 Caution: Check for allergies

You will need:

- 240g plain flour
- 120g salt
- 1 tbsp vegetable oil
- 240ml warm water
- glitter
- mixing bowl
- jug
- rolling pin
- cookie cutters

Method

1. Mix the flour, glitter and salt in a mixing bowl.
2. Mix the vegetable oil and warm water in a jug.
3. Add the oil and water mixture to the flour, glitter and salt mixture.
4. Mix well and knead to form a dough.
5. If the dough is too sticky, add a little flour.
6. Roll the dough and use cookie cutters to make winter shapes.
