

Hanging snowflake

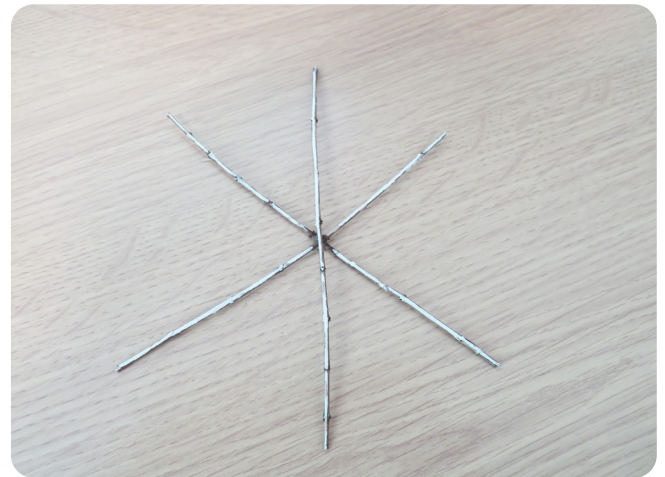

You will need:

- three twigs
- paint
- tissue paper
- glue gun
- paintbrush
- string

Method

1. Glue the twigs together using a hot glue gun to make a star shape.

2. Paint the twigs using cool colours, such as white or blue.

3. Scrunch tissue paper into small balls and glue them to your twigs, using a hot glue gun.

4. Tie a piece of string to one twig and hang up your snowflake.
